Bharat Jyoti is a social welfare and consumer Organization, establishment in the year 1998, with an aim to bring social awareness among the people of the society and consequently uplift their status through consumer benefits. Its aims and objects are:

1. To assist and cooperate with Governments as well as voluntary bodies engaged various social welfare programmes relevant to the poor and the downtrodden.
2. To establish Educational Institutions, hospitals, Adult Literacy centres, Vocational Guidance Centres for the welfare of the people.
3. To hold seminars and organize debates to highlight the problems of the society is confronted with, such as threat of population growth, Environmental erosion, Child care and Consumer Rights etc.
4. To Create widespread awareness on socially distressing issues like consumer protection, health hazards, pollution control, importance of education specially to the marginalised children and women and mentally and physically challenged children siblings and thus to create a harmonious, peaceful and serene living environment.
